Title: Standing Special Dispensation for Uniform / Clothing Variances

1. Background	Section 412.3 of the EMSA Rules and Regulations (March 2013): (a) requires players to wear soccer style shorts that end above the knee; and (b) prohibits players from wearing any article of clothing that protrudes outside of the shorts.
2. Issue	Players may be required to cover their legs (to cover exposed skin) by wearing leggings or other similar clothing for religious, cultural, medical or other reasons.
3. Special Dispensation	A special dispensation is granted to all players who make a written request to wear leggings or other similar clothing subject to the following: (a) EMSA staff being satisfied that such clothing is required for religious, cultural, medical or other appropriate reasons; and (b) such conditions as may be imposed by EMSA staff in writing.
4. Period in Effect	This Standing Special Dispensation is in effect until revoked by the EMSA Board of Directors. Implemented by the EMSA Board of Directors by resolution passed on April 5, 2013.
