• EMSA teams are required to make a commitment that if they qualify for a post season spot they will fulfill their obligation by attending the competition they have qualified for. Teams who commit (via this form) and qualify for a post season spot who then withdraw from it, will be assessed an administration fee (fees can range from \$500 upwards of \$2500.00). In addition, that team will not be permitted to advance to any post season play for the next two seasons they register in and the head coach will be suspended for the same period of time.

• “Guest Teams” from out of the Edmonton District can advance to City Finals but cannot advance past that to Tier 4 Provincials on an EMSA berth. Out of District teams can choose to participate in the EMSA All Star event provided that they are not already attending a Provincial competition through their own District’s berth. Guest Teams are required to submit this form.

• Tier 5 EMSA All Star Event: This will be a fun game where a few select players from various Tier 5 teams will come together and be divided onto two All Star teams to play a friendly game against one another. Teams that are placed in Tier 5 for the third/final round of league play will be eligible to have a few select players and team officials participate from their team. An invitation will be sent out from the EMSA office and you can confirm your willingness to participate or not at that time. Teams do NOT need to attend City Finals to be eligible to participate.

- City Finals: February 21 - 23, 2020 (Edmonton)
- Tier 5 All Start Event: March 14, 2020 (Edmonton)
- Provincials: March 13—15, 2020 (ASA to announce locations)
