Re: Canada Soccer Maintains Organized Soccer Suspension

To: All EMSA Members

EMSA Executive Group welcomes the Government of Alberta's decision to consider changes to upcoming Step Two of the Relaunch Strategy.

<https://www.alberta.ca/release.cfm?xID=71455735324CC-0BDE-0B0B-C3737A9DCE05693F>

According to the **Chief Medical Officer of Health COVID-19 update on May 27, 2020:**
"As I mentioned on Monday, I have heard the concerns and opinions expressed by Albertans and we are currently exploring whether **some sporting activities for all Albertans could be safely included in Stage 2.**"

During the past few days, EMSA Executive Group has been in communication with Alberta Soccer **waiting for an update from Canada Soccer** regarding the current ban on sanctioned soccer activities.

Please note that organized soccer is still under a Canada Soccer suspension. Alberta Soccer is working diligently with all relevant authorities to enable members to get back on the field safely. **Until such time that the Canada Soccer suspension is lifted all members must refrain from any in-person organized soccer activities.**

EMSA Executive will continue to monitor all the information coming from CSA/ASA and will inform EMSA Membership of any updates.

Thank you for your patience and stay safe while you enjoy the casual sports activities allowed by this Phase One of the Alberta Relaunch Strategy.

EMSA Executive
