

Team Correspondence Liaisons

We are advising all coaches, assistant coaches and managers that they will be the acting correspondence liaisons for their team.

They will be responsible for communications between the EMSA and the team. Such communications can include, but are not limited to suspensions, complaints, league play, etc.

Please note that only these individuals as well as the referee liaison will have the authority to contact the EMSA directly either through a phone call or email.

***Any other contact from parents, players, etc. will not be responded to.**

Please follow the EMSA Communication Process listed below before calling/contacting the EMSA Main Soccer Office directly.
