

INDOOR 2020/2021

U7 Mini League COVID Season Format

** Please note that this may change prior to indoor season beginning if AHS changes their cohort sizes.

- 1) We will form cohorts with 4 teams with a maximum of 12 players on each team. This will keep us below the 50 maximum cohort set out by Alberta Health (If AHS increases the Sport Cohort number, we can have more players per team or increase the number of teams)
- 2) The cohort divisions will play up until Christmas together and then new divisions with different teams will be formed. There will be a two week Christmas break to ensure a 14 day quarantine period is served in between.
- 3) Dressing rooms will be available to teams but would encourage players to come dressed for the game.
- 4) Teams to arrive no more than 15 minutes prior to kickoff and to leave right after the game to avoid unnecessary contact in the halls and areas.
- 5) All participants including adults who will be entering the buildings will need to register with facilities and sign waivers online (<https://www.esaf.ca/index.php/covid-19/contact-tracing>)
- 6) All persons entering the building will need to be wearing a mask regardless if they are players or coaches, according to level two of the Edmonton Facilities mandate.
- 7) Hand sanitizer will be available at all areas in the building
- 8) Mini Fest may not be able to be organized in February due to the two-week quarantine period needed to re-cohort the groups. If AHS increase the cohort number from 50-100 things could change.
- 9) No guest players are permitted.
- 10) All parents, players, organization will need to be ready to discontinue the program if Alberta Health Services cancels the Cohort system.
- 11) Every team must have a COVID Contact Person that will be responsible to contact the EMSA office for any reports of possible COVID exposure and follow all protocols from AHS.
