

Alberta Soccer Association

Leading through Sport

In sport, we know that it takes the collective power of the team to be successful. That collective power rests in the commitment each individual makes to their team. Alberta Soccer asks you, our teammates, to join together to do your part to reduce the spread of COVID-19 in Alberta.

As individuals, we have been asked take steps to protect ourselves and others by practicing good hygiene, physical distancing, wear a mask, limit the number of cohorts we participate with, and stay home if we are experiencing symptoms.

While we are all longing for 'normal' our ability to play Modified Games is so much better than no play at all. Let us stay committed to keeping each other safe.

AHS Updates Contact Tracing Process on Nov 5, 2020

AHS is asking individuals and event organizers to contact close contacts of confirmed COVID-19 cases. In response, Alberta Soccer has updated both our Return to Modified Games and supporting FAQ.

Return to Modified Games - Nov 6, 2020

In response to the AHS update on Nov 5, 2020, Alberta Soccer has updated our guidelines to align with new Contact Tracing recommendations for individuals and Event Organizers.

[Return to Modified Games - Nov 6, 2020 >>>](#)

Important: AHS has now provided a key definition for who is considered a close

contact & how to determine the infectious period. Please refer to the updated Return to Modified Games for the application in soccer.

Note: Key changes can be found on the following pages; 12, 14, & 38

Alberta Soccer is asking all members to report to us when a positive COVID-19 case is confirmed in your programs. An online reporting form has been developed to support easy reporting.

Form also available on our COVID-19 Update webpage

Return to Soccer Plan

FAQ

The Return to Soccer Plan FAQ is updated alongside the Return to Modified Games document to assist in answering the most received questions. We encourage you to reference this document first the next time you have a question. [FAQ >>>](#)

**Together, the soccer community in Alberta can support a
safe Return to Play.**

Let us remain vigilant in our commitment to this end.
