**Government of Alberta
Announcement Nov 24, 2020
declares a state of public health
emergency.**

The Government of Alberta announced several new measures in Alberta today to stop the spike in COVID-19 cases in our province.

Province-Wide Mandatory Measures

- No indoor social gatherings are permitted in any setting, including workplaces
- Outdoor social gatherings are limited to a maximum of 10 people.

Business and Service Restrictions effective November 27th are listed under

four (4) categories; see sport specific statement under [Business closed for in-person services](#)

These new measures will remain in place for three (3) weeks and may be extended, if necessary.

November 24 Announcement and Soccer in Alberta

Mandatory restrictions were announced for All levels of sport in areas in the province listed under Enhanced Status (purple areas). This means a suspension of all team soccer activities such as practice, training, competition, and team social activities for programs in these areas for at least the next three (3) weeks.

All members should use the [Interactive Map](#) on the **Government of Alberta**

website to stay informed of the health status of their regions.

For members who provide soccer activities outside of the AHS identified regions, they may continue to offer programming under the Return to Modified Games guidelines.

More information will be released as it comes available to us.

IMPORTANT: The Government announcement today stated an 'exemptions may be considered' for sports who have implemented significant COVID-19 safety protocols. An exemption would need to be approved by the Chief Medical Officer. Alberta Soccer has been in contact with our Sport Consultant to obtain more details on how this exemption can be obtained. Alberta Soccer will keep the members informed and provide further information as soon as it comes available to us.

**Together, the soccer community in Alberta can support a
safe Return to Play.**

Let us remain vigilant in our commitment to this end.
