The screenshot shows the 'E2E Ref Centre Course Management' interface. At the top right, there is a 'LOG IN' section with fields for 'your email:' and 'password:', and buttons for 'forgot password?', 'Log In', and 'save'. Below this is a banner image of a hand holding a smartphone. The main content area features the Alberta Soccer Association logo on the left and a welcome message: 'Welcome to the referee management system for the Alberta Soccer Association. If you would like to become a referee please use the search engine below to find a suitable course. When you have found the course that best suits your requirements, click on the register link to register for that course. After you have submitted your registration form you will be sent an email with further instructions'. A green arrow points from the text to a red search box titled 'Search by date'. This search box contains two date pickers: 'Start' and 'End', both set to '2015-01-19', and a 'Search' button. The footer of the page includes '©2015, E2E Soccer' on the left and 'privacy' on the right.
