COVID CONTACT TRACING LOG

Date of Game: _____

Team Name: _____

COVID Tracker Name :_____

All players, coaches, volunteers and parents/guardians who are at the game must be included in this log. The log will be completed on site by a responsible adult. The team will be responsible for holding onto this paperwork for 4 weeks. The information collected on this document is being collected to assist in the management of the COVID-19 pandemic. This information will be kept in a safe and secure location and will be provided to EMSA/Alberta Health Services on request if it is required for contact tracing purposes. EMSA or the team will not use this information for any other purpose and the team will destroy this record after four weeks. Under Privacy Regulations you have a right to access and correct any information we hold about you.

If you have an app such as Team Snap that can do contract tracing, you are permitted to do the contact tracing electronically instead of filling out this form.
