

Winter Driving Conditions

Failure to travel to a scheduled game due to extremely poor road conditions, as advised by the local police/RCMP, will result in the game being brought to the EMSA Discipline Committee for review. The Committee will decide whether the game will be recorded as a default loss, or be rescheduled for play.

If your team is not present for your scheduled game due to the above-mentioned circumstances, please send an email to the EMSA office right away via email and send a copy of the notice where the local police/RCMP advised to stay off the roads.

Club League Director: angelad@emsamain.com

Community League Director: jennad@emsamain.com

If the local police/RCMP have not made an advisory to stay off roads then teams are expected to show for their game otherwise they will default and the game will not be rescheduled.
