The referees will indicate the mercy rule score on the game sheets and that is the score that needs to be inputted in the EMSA Portal when the home team scores the game.

For teams that have schedules with seeding rounds, the seeding will be based on the mercy rule game score, not the actual game scores.

• **U9 Player Yellow and Red Cards**

No cards issued or recorded. Referees can ask for player to be substituted for a small amount of time. Player can return to play after. Team does not play short and player does not sit in referee box. No further suspensions are issued. If a serious boarding offence occurs, the player is not to play for the remainder of the game.

• **U11 Player Yellow and Red Cards**

Cards are issued. Player sits in box for allotted time but then returns to their bench. If a player is yellow carded, they can return to play. If a player is red carded that player cannot play for the rest of the game and must serve the 5 minutes in the penalty box. Once the penalty time is up, they return to their bench for the remainder of the game. The team does not play shorthanded. No further suspensions are issued. Cards will be recorded on the player's file and if an accumulating card pattern is noticed, the EMSA Discipline Committee may choose to call a meeting.

If a goalie incurs a time penalty (blue card or yellow) no one serves the penalty. However, if the goalie receives 2 yellows (Red) the goalie, like all players, must be substituted and cannot play the remainder of the game.

After a time penalty the player in the box must wait until a stoppage of play to return to their teams bench.

• **Team Official Yellow and Red Cards**

Team officials can be issued yellow and red cards and also suspended as per EMSA rules

• **Substitutions**

Players can substitute on the fly and goalies can be substituted at any stoppage of play as long as the alternate goalie(s) is ready and time is not wasted. At referees discretion. Referee must be informed of keeper changes.

• U9 and U11 Indoor Retreat Line

Retreat Line

The Retreat Line will come into effect in the following 3 situations:

- a goal kick
- a free kick to the defending team within their own penalty area (goal area in U9 outdoor games)
- the goalkeeper makes a save and has possession of the ball in their hands

At these 3 restarts the opposing team is required to move beyond the Retreat Line, which is the following:

- A line that is one third of the way down from the goal line. If there is no line, cones off the field can be used.

On a goal kick or free kick the ball is in play when the first of the following occurs:

- The ball touches another player from the team taking the restart, apart from the player taking the goal kick or free kick
- The ball stops and has left the penalty area/goal area from a goal kick or free kick
- The ball crosses the Retreat Line
- The ball goes out of play

On a goalkeeper save the ball is in play when the first of the following occurs:

- The goalkeeper, after making a save, kicks or throws the ball beyond the Retreat Line
- The goalkeeper, after making a save, releases the ball and it touches another player from the same team
- The goalkeeper, after making a save, puts the ball on the ground and more than 5 seconds has passed after putting the ball down on the ground
- The goalkeeper, after making a save, puts the ball on the ground and dribbles the ball beyond the penalty area
- The ball goes out of play

If an opposing player comes in from the Retreat Line AND interferes with play, the game will be stopped, and the restart will be a free kick to the opposing team from where the player crossed the Retreat Line.

For any infraction by the team taking the goal kick, free kick or a goalkeeper save when the Retreat Line Rule is

in effect, the restart will be a free kick at the center of the closest Retreat Line.

• Retreat Line

At the Edmonton Centers the retreat line is marked on 1/3 of the field.

Restarts for U9s

- All restarts are now **indirect** (a goal cannot be scored directly from that restart).

Boarding (U9s)

- Any player committing a boarding offence can take no further part in the match.

Penalty Kicks (U9s)

- There are no penalty kicks
- Restart would be an indirect free kick at the top of the penalty arc

Time Penalty

U9 and U11- Once the attacking players have retreated beyond the Retreat Line, the goalie has up to 5 seconds to release the ball. If not, there is a time violation which will result in an INDIRECT free kick at the top of the arc.

Pass Back

U9 and U11- If a defender intentionally passes the ball back to the goalie and the goalie uses their hands, the pass back will be called. The result will be an INDIRECT free kick at the top of the Arc.

Rational- because of the proximity to the net as well as players continually shooting and hitting players in the face and injuries have occurred an indirect free kick will be awarded in these two instances.

SPECTATORS

Spectators are not allowed to enter the field at anytime. This is a space for the players, coaching staff and referees.

Please read the new spectators' policy and fines associated with infractions
