- after a goal has been scored. (The kickoff will be taken by the team who conceded the goal)
- at the start of the second half
- a goal may **not** be scored directly from a kick off.

Procedure:

Before the kickoff at the start of the game

- a coin toss is held by the referee, between the captains of each team.
- the team that wins the toss decides which goal it will attack in the first half
- the other team takes the kick off to start the game.
- the team that wins the toss takes the kick-off to start the second half of the game.
- in the second half of the game, the teams change ends and attack the opposite goals.

Kickoff:

- after a team scores a goal, the kick-off is taken by the other team.
- all players must be in their own half of the field.

- The ball must be stationary on the center mark.
- The referee gives a signal to start.
- the ball is in play when it is kicked and moves in any direction.
- the kicker must not touch the ball again until it is touched by another player.

Infringements and Sanctions

- For any infringements of the kickoff, the team will have to restart.

Definition of dropped ball

- A drop ball is a method of restarting play when, while the ball is in play, the referee is required to stop play temporarily for any reason not mentioned elsewhere in the Rules of Mini Soccer. Some examples of this are an injury or interference by an outside agent.

Procedure

- The referee drops the ball at the place where the ball was located when play was stopped in given to the team who had possession at the time. Unless play was stopped inside the penalty area, in which case the referee drops the ball to the keeper regardless of who had possession.

Retreat Line

The **Retreat Line** will come into effect in the following 3 situations:

- a goal kick
- a free kick to the defending team within their own penalty area
- the goalkeeper makes a save and has possession of the ball in their hands

At these 3 restarts the opposing team is required to move beyond the Retreat Line, which is the following:

- The half way line

On a goal kick or free kick the ball is in play when the first of the following occurs:

- The ball touches another player from the team taking the restart, apart from the player taking the goalkick or free kick
- The ball stops and has left the penalty area from a goal kick or free kick
- The ball crosses the Retreat Line
- The ball goes out of play

On a goalkeeper save the ball is in play when the first of the following occurs:

- The goalkeeper, after making a save, kicks or throws the ball beyond the Retreat Line
- The goalkeeper, after making a save, releases the ball and it touches another player from the same team
- The goalkeeper, after making a save, puts the ball on the ground and more than 5 seconds has passed after putting the ball down on the ground. If the ball is played during those 5 seconds all other conditions of this rule apply
- The goalkeeper, after making a save, puts the ball on the ground and dribbles the ball beyond the penalty area
- The ball goes out of play
- The ball stops

If an opposing player comes in from the Retreat Line AND interferes with play, the game will be stopped, and the restart will be a free kick to the opposing team from where the player crossed the Retreat Line. For any infraction by the team taking the goal kick, free kick or a goalkeeper save when the Retreat Line Rule is in effect, the restart will be a free kick at the centre of the closest Retreat Line.

Rule 9-Ball In and out of play

Ball not in play

The ball is not in-play when:

- it has wholly crossed the goal line or touch line whether on the ground or in the air
- play has been stopped by the referee
- Ball hits the referee and alters the game. The drop ball will be given to the team who last had possession.

Ball in play

The ball is in play at other times, including when:

- it rebounds off the goal post, crossbar, corner flag post and remains in the field of play
- it rebounds off the referee and does not alter the game or possession.

Rule 10-The Method of Scoring

- A goal is scored when the whole of the ball has crossed over the goal line between the goal posts and under the crossbar, provided that no infringement of the Rules of Mini Soccer has been previously committed by the team scoring the goal.

Team Official Misconduct - EMSA Modification

Team Officials can receive yellow and red cards as per regular game and discipline rules.

Advice to Referees

The game at this age is developmental, and referees are requested to offer simple explanations to players regarding why calls were made, if it is not obvious. This does not give players (or coaches) the right to question the referee's calls, but is designed to help the players learn the rules.

If coaches or parents question the referee's calls, the referee should politely but firmly state that this will not be permitted. If the questioning continues, the person should be asked to leave. If the person refuses to leave, the game should be terminated, and the referee should inform the referee assignor or coordinator as soon as possible, reporting the appropriate individuals.

If the referee has any questions or concerns, regarding rules or any aspect of their games, they should contact their referee assignor or coordinator.
