

# EMSA E-CARD (electronic I.D. card)

All EMSA players and Team Officials (checked off on the table below) must have an EMSA E-Card which will be produced by EMSA MAIN (see instructions below). Team officials include head coach, assistant coaches and managers. EMSA MAIN will no longer print cards but all the cards will show in the EMSA PORTAL when the team official logs in to their team’s profile.

**IMPORTANT:** The cut off date to ensure your card is processed in time for the first league game of the season is, **FRIDAY, OCTOBER 11, 2024**. Any request sent in after this date is not guaranteed to be processed in time for Season Start Date.

## Where to find your EMSA E-CARD information?

All Players (or parents) and Team officials are able to verify their card has been created by going to their personal account in the EMSA PORTAL: log in to [www.emsamain.com](http://www.emsamain.com) – click on “Manage People on Account”. YOU WILL BE ABLE TO SEE ONLY THE EXPIRY DATE of the card (not the photo). If you have an expiry date it means you have a card on file. If you don’t have a EMSA E-CARD on file, the system will show “NO CARD AVAILABLE”.

## Who needs to request an EMSA E-CARD?

- If your existing EMSA ID CARD has expired:** as mentioned above each E-CARD has an expiry date; please check that in order to renew the card and then follow the procedure below. **(If not expiring during the Indoor Season you will not need to renew).**
