

## Extreme Winter Conditions

Failure to travel to a scheduled game due to extremely poor road conditions, as advised by the local police/RCMP, will result in the game being brought to the EMSA Discipline Committee for review. The Committee will decide whether the game will be recorded as a default loss, or be rescheduled for play.

If your team is not present for your scheduled game due to the above-mentioned circumstances, please send an email to the EMSA office right away via email and send a copy of the notice where the local police/RCMP advised to stay off the roads.

If the local police/RCMP have not made an advisory to stay off roads then teams are expected to show for their game otherwise they will default and the game will not be rescheduled.

For extreme cold warnings, EMSA will look at those on a case-by-case basis as they occur. If games are to be cancelled due to the extreme cold, teams will receive an email from the EMSA office. If no cancellation email is received from the EMSA office, teams are expected to show for their league games or they will forfeit.
