Discipline

U11 Yellow and Red Cards

Cards are issued. Player sits in box for allotted time but then returns to their bench. If a player is yellow carded, they can return to play. If a player is red carded that player cannot play for the rest of the game and must serve the 5 minutes in the penalty box. Once the penalty time is up, they return to their bench for the remainder of the game. The team does not play shorthanded. No further suspensions are issued. Cards will be recorded on the player's file and if an accumulating card pattern is noticed, the EMSA Discipline Committee may choose to call a meeting.

If a goalie incurs a time penalty (blue card or yellow) no one serves the penalty. However, if the goalie receives 2 yellows (Red) the goalie, like all players, must be substituted and cannot play the remainder of the game.

U13 - U19 Yellow and Red Cards

- Players who receive two yellow cards in the same game will be suspended for one game.
- It is the coach's responsibility to ensure that their players serve their suspension during the City Finals.
- Red cards are an automatic minimum one (1) game suspension. It is the coach's responsibility to ensure their player sits out the next game should they receive a red card. If it is deemed that the red card offence was more serious in nature, teams will be contacted with further suspension or discipline action. **All suspensions will adhere to EMSA Official Rules and Regulations.**

Players serving red card game suspensions must immediately leave the area of play and are not permitted on the team bench, in the dressing room or the dressing room area/hallway at any time after ejection or during the game they are serving the suspension.

Penalty Kick Procedure

1. Each team is required to pick any group of five (5) dressed players and one goalie (who may be one of the five shooting players).
2. The referee will even out the benches. Any player at the end of the match who is serving a time penalty, for an offence they committed cannot take part in the penalty kicks and must remain in the penalty box. All other ineligible players (as per evening out procedure), must remain on the bench along with coaches.
3. A flip of the coin will determine which team goes first.
4. All players apart from the goalkeepers and the player taking the penalty kick must remain in front of their team benches. The goalkeeper of the team not taking the penalty kick must remain on the corner mark designated by the referee. The goalkeeper facing the penalty kick is on the goal line, facing the player taking the penalty kick.
5. The ball will be placed on the penalty mark, and the goalkeeper will be on the goal line between the posts. The game official will whistle to indicate when the player may take the penalty kick.
6. The ball must be kicked forward to be in play. Until the ball is kicked, the goalkeeper can only move sideways and not forward.
7. The penalty kick is completed when the ball stops moving, hit the goal wall, or the netting above goal wall.
8. No player from the same team may take a second penalty kick until all players on the team (including the goalkeeper) have taken a kick. Should the teams be tied after the initial round of five kicks each, teams will move to a sudden death round whereby the teams alternate single kicks until a winner is decided.
9. Please have your players picked out ahead of time as there will be no available time to do so at the end of the game. The referees will start the penalty kicks immediately. The list of kickers is not required to be handed to the referee
10. If, both teams have taken 5 kicks, one team has scored more goals than the other team could score, even if they were to complete 5 kicks, no more kicks are taken.
